THE APOTHECARY STAFF

Apothecary Staff 2016: (L-R, Back Row) Bobbi Loflin, Brandi Brown, Madison Duckwall, and Bethany Johnson. **(L-R, Front Row)** Morgan Patton, Shay Swartwood, Madison Murphy, Jordan James, and Madison Rittenhouse.

It is with great honor we present the 2016 Apothecary issue. This year's Apothecary was made possible by the provision of generous financial contributions from many stores, businesses, and Southwestern College of Pharmacy alumni. We greatly appreciate and thank you for your continued support.

The Apothecary staff would like to thank Dr. David Ralph for his patience, countless hours, and unfailing efforts throughout this year. This year's cover created by the University Design Studio celebrates the creativity and bright future of the SWOSU College of Pharmacy. Thank you to all others who helped in the creation of this Apothecary issue.

As the creators of The Bulldog 1942 stated, "behind the sharp imprints of things of great importance, are the memories of all the little things that have made our college life an unforgettable experience." It is with the hope that this Apothecary issue reminds you precisely of those moments that we dedicate this publication to the Southwestern College of Pharmacy faculty, staff, alumni, and students. We congratulate this year's graduating seniors and wish you all success in your professional careers.

Sincerely,
Madison Murphy, Editor

In Memory

Dr. E. Ben Welch was raised in Florida and earned a Bachelor of Science in Pharmacy degree from the University of South Carolina in 1972. He spent the first 13 years of his pharmacy career working in the South Carolina State Psychiatric Hospital system in Columbia. In 1986, Dr. Welch returned to the University of South Carolina and received his Doctor of Pharmacy Degree in May 1989. Dr. Welch joined the SWOSU faculty in November 1989. Initially, Dr. Welch's clinical practice was at South Community Hospital (now Integris Southwest Medical Center). Dr. Welch spent the majority of his career working with the Behavioral Medicine Unit at St. Anthony Hospital in downtown Oklahoma City. Dr. Welch contributed to the education of every pharmacist trained by SWOSU during the past 25 years and served as a clinical preceptor for approximately 350 senior pharmacy students. Dr. Welch contributed to the development of the Current Therapeutics Course (SWOSU's first therapeutics course), implementation of the Doctor of Pharmacy degree program and delivery of the Non-Traditional Doctor of Pharmacy program. Dr. Welch was active with the Kappa Psi Pharmacy Fraternity at both the college and international level serving as Grand Regent, webmaster and journal editor. Dr. Welch was an active member of the Oklahoma Society of Health-System Pharmacy serving as webmaster, as President in 1999-2000 and received the organizations prestigious Pharmacist of the Year Award in 2006. Dr. Welch enjoyed educating patients, students & fellow pharmacists and was a regular speaker for the SWOSU Pharmacy Foundation Continuing Education programs, Oklahoma Society of Health-System Pharmacy, Kappa Psi Fraternity and the Behavioral Medicine Unit of St. Anthony Hospital. Dr. Welch enjoyed working in his wood shop, driving his Miata with the top down and spending time with his many friends. Dr. Welch's unique sense of humor, good nature and dedication to student education will be greatly missed.

OSHP

The American Society of Health-Systems Pharmacists is an organization that promotes the clinical and hospital practice of pharmacy in today's health-care society. The SWOSU OSHP-Pharmacy Student Forum was established in the fall of 1998. We strive to make students aware of the various opportunities for pharmacy practice and provide information for pursuing a career in the health-care systems arena. Every year, several chapter members attend the annual ASHP Mid-year Clinical Meeting. The OSHP chapter also sponsors the Clinical Skills Competition, which is held each fall. The winners then compete nationally at the Mid-year Clinical Meeting.
